THE IMPERIAL TONGSAI BAY SAMUI

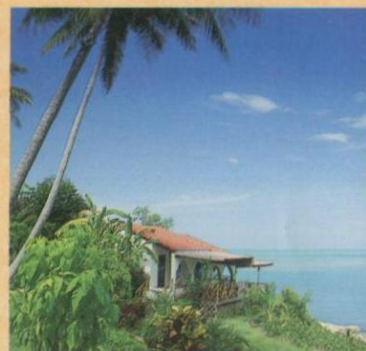

Built to blend into the hillside on which it sits, The Imperial Tongsai Bay Hotel is an idyllic retreat from the hustle and bustle of city life. It's about as close as you can get to the perfect combination of natural surroundings and first class amenities.

The forty-nine individual cottages have been designed to accommodate the environment as well as the guests - hence the unique 'Rock Suites' where nature's beauty actually extends through the floor into the bedrooms - and each of the 24 hotel rooms has a private balcony that affords an excellent view over the peaceful cove. A view that can also be enjoyed from the restaurant terrace, where breakfast can last as long as it takes a fishing boat to drift across the blue horizon.

For the energetic, recreational pursuits include sailing, canoeing, fishing, windsurfing and tennis. Those who prefer to just soak up the sun, can cool down with a refreshing dip in the free-form saltwater swimming pool.

In the evenings, barbecues and Thai cultural shows followed by a nightcap in the piano bar offer a pleasant relaxing way to end the day.

THE IMPERIAL TONGSAI BAY

A masterpiece in harmonious creativity is the five-star Imperial Tongsai Bay Hotel whose 48 individual cottages and 24 rooms on a hill overlooking its own private bay and golden sandy beach seem as natural as the trees, shrubs and rock outcrops that have been there since time immemorial.

The total environmental-blend concept has even extended to a unique and delightful feature -- the Rock Suite, where nature has been left undisturbed and a monolith has emerged from the bowels of the earth to silently stand guard over the sleeping guests.

All the cottages and hotel rooms are air-conditioned and fully-furnished with modern amenities including international direct-dial telephone, refrigerator, mini-bar, colour television and video.

There is a saltwater swimming pool but some may prefer other recreational activities... sailing, canoeing, fishing, windsurfing or snorkelling. A tennis court is also available.

And after dinner at the hotel's restaurant, there is a piano lounge for romantic songs, a game of snooker and, of course, a nightcap or two.

No wonder lovers of nature and tranquillity, not to mention honeymooners, have found their perfect retreat from the outside world here at The Imperial Tongsai Bay Hotel.
